4) Re: general question referred to, reference is invited to the discussions in C.B. 7-28-25 to 27 put up. It is also submitted that after the Judicial Separation Scheme Amildars & Asst. Comrs. have to gain magisterial experience by ~~work~~ actually working as Special Magistrates and ~~many~~ some have to be posted first as III or II class Magistrates. At present all the Assistant Comrs. now in the Judicial Dept. are in charge of I class Magistrates' Courts. The number of other officers now available in the Civil Service cadre who have exercised at least II class powers & can be directly posted to I class Courts (to replace the older officers) is limited. The question of posting some junior Asst. Comrs. ~~officers~~ to the lower class Courts is for consideration.

to a decision as to when, if at all, these officers can be taken out of the special departments in which they are now employed.

Pending such decision, the remaining officers 2, 3, 4, 7, 8 and 12 may be sent as Magistrates, 1st class, as vacancies occur.

8) Among officers whose service ranges between 6 and 12 years, the following officers have to acquire some magisterial experience but the question of posting them for this work may be taken up after the Senior officers mentioned in para 7 have had their turn.

1. Mr. E.V. Ganapathi Iyer,
2. " K. Subba Rao,
3. " K. Guru Dutt,
4. " C. Noronha,
5. " C.M.H. Ranajodha Singh,
6. " P. Suryanarayana Setty,
7. " Hyder Ali Khan.

Among officers of this class, Messrs. Ranajodha Singh and M. Shamanna have had no revenue experience at all and may be posted as Sub Division Officers when their services are spared by the Police and Account Departments respectively.

9) Coming to junior officers with less than 6 years' service (such of them as have prospects of rising to higher responsibilities) it will be seen that with one or two exceptions they have had neither Revenue nor Magisterial experience. In order to ensure their acquiring both classes of experience within the next few years, the following programme is suggested.

for two years and thereafter sent as Magistrates:-

Mr.K.Srinivasan,

" R.Ramachandra Rao Bhombhore,

" N.S.Hiriyannaiya,

" Mir Safder Hussain, *

" K.Seshadri Iyer. *

(ii) To be posted as Magistrates in the first instance and as Revenue Sub Division Officers after 2 years:-

Mr.N.Madhava Rao, *

" D.Krishna Urs, *

" G.N.Nagaraja Rao,

" A.C.Nirvane Gowda,

" J.B.Mallaradhya. *

The officers, whose names are marked (*) with an asterisk, not being immediately available, this arrangement can apply for the present only to the remaining officers.

10) Postings cannot of course be arranged with the sole object of giving comprehensive training to officers but the above plan if approved will be some rough guide in making proposals in future. The main thing is for the special departments (particularly the Police and Accounts) to take other officers in the place of those whose employment therein has been unduly prolonged.

11) Pending settlement of this difficult question the following changes are suggested for consideration as being immediately practicable:-

TRAINING OF ASSISTANT COMMISSIONERS IN THE WORK OF THE JUDICIAL AND ACCOUNTS DEPARTMENTS.

***

After the introduction of the Scheme for separation of Judicial from Executive functions, Amildars have no opportunity of gaining an experience of active magisterial work and this restricts the scope of their employment when they are promoted to Gazetted rank. 8 posts of Special Magistrates are open to members of the Civil Service and considerable difficulty is being experienced in finding suitable fresh men in the Civil Service cadre for being posted as (full-time) Special Magistrates in place of Assistant Commissioners who have served their term as such.

para 14 of G.O. No 757-807 / Cts. 210-23-1 dt 22.9.24 (Flag C)

After consideration in Council, the High Court were consulted as to whether 2 or 3 posts of 2nd grade (Munsiff) Magistrates could be left unfilled and selected Amildars taken for these places so as to afford them necessary training in magisterial work and facilitate their being posted later on (as Assistant Commissioners) to any Magisterial Court. The High Court, while agreeing to the principle of posting Amildars with requisite qualifications - a degree in Law and local tests in procedure -, suggest that they should

be appointed as Additional Munsiff Magistrates outside the prescribed number in the existing cadre and sent out to stations where work is too heavy or much in arrears. The Second Member of Council has pointed out that ~~the~~ as our object is not to give them training as Munsiffs but only in Magisterial work, it is not necessary to insist on a degree in law. He recommends another alternative proposal (also discussed in Council) of addi~~m~~ two places to the cadre of the Civil Service for providing Magisterial training to Junior Civilians - say 3 to 6 months as Third Class Magistrates and one year as Second Class Magistrates.

Point (1)

A similar difficulty of want of an adequate trained reserve is felt in respect of the Account Department also. The Civil Service Rules provide for one Assistant Commissioner being always under training in the Comptroller's Office so that he may on completion of his training ~~take the place of~~ replace another Assistant Commissioner who has served out his term in the Department. To facilitate the early withdrawal of a large number of Assistant Commissioners who have been for long in the Account Department, an additional officer has also been recently posted to the Comptroller's Office for training — as a temporary measure for 3 years. The Second Member suggests that one more officer may be posted to the Department for training.

Sir,

I am directed to bring to the notice of the High Court the desirability of providing opportunities for selected Amildars to acquire some magisterial experience, so that when these officers are promoted as Assistant Commissioners, there might be no difficulty in posting them to the charge of any Magisterial Court (including the Court of First Class Magistrate) should the exegencies of service demand such a course. At present Amildars get no experience whatever of active magisterial work and this lack of opportunity affects their efficiency and restricts the scope of their employment, when they are promoted to gazetted rank.

With a view to remove this handicap I am to suggest that the posts of 2 or 3 Second Grade (Munsiff) Magistrates may be kept unfilled and selected Amildars taken for these places, so as to afford them the necessary training in magisterial work.

Government will be glad to be favoured with the views of the High Court on this proposal.

A. K. Syed Taj Peeran Esq., B.A., F.M.U.,
Offg: Inspector General of Police in Mysore.

I am directed to invite your attention to the fact that the marginally noted officers of the Civil Service who are working in the Police Department have not had sufficient experience of Revenue and Magisterial work.

1. Mr. C.M.H. Ranajodha Singh.
2. Mr. Mir Safdar Hussain.
3. Mr. K. Seshadri Iyer.

It is considered desirable that they should be afforded an opportunity of acquiring experience in these lines of work. It is necessary therefore to withdraw these officers gradually and send other Assistant Commissioners to the Police Department in their places. I am to request you to consider the matter and favour Government with your proposals.

I have the honor to be,

Sir,

Your most obedient servant,

Chief Secretary to Government.

SIR,

I am directed to acknowledge the receipt of your letter No. 1577/C.B. dated the 16th October 1930 suggesting that the posts of 2 or 3 Second Grade (Munsiff) Magistrates may be kept unfilled and selected Amildars taken for these places, so as to afford them the necessary training in magisterial work and requesting the views of the High Court in the matter.

In reply I am to state that while the Judges are in entire sympathy with the object of Government ~~and~~, they would suggest - Amildars who possess the requisite qualifications - a degree in law and the local tests in procedure, being appointed as Additional - Munsiff-Magistrates, outside the prescribed number in the existing cadre and sent out to stations where the work is too heavy or much in arrears.

I have the honour to be,

OFFICE OF THE INSPECTOR-GENERAL OF POLICE
IN MYSORE, 164-30-S

Dated Bangalore, 5th November *1930.*

From

INSPECTOR-GENERAL OF POLICE IN MYSORE,

C.S. CHIEF SECRETARY'S 5 NOV. 1930

To

Chief Secretary to the
Government of Mysore,
BANGALORE.

SIR,

With reference to your letter No.1579/C;B. dated the 16th October 1930, I have the honour to represent that of the three officers named therein the first, Mr. C.M.H. Ranajodha Singh, has been the longest in the Police Department, but he has recently been to England at his own expense and has made a study of Police work in that and other countries in Europe. I consider that it would be a disadvantage to the department that his services should now be withdrawn, particularly when the knowledge he has gained of Police work will be of much use to me in undertaking the reorganisation of the department, a step which I apprehend will be necessary. He has himself expressed his desire to continue to serve in the Department and I would request that he be permitted to remain.

Of the other two officers I have no great knowledge and Government might relieve them in turn as is convenient. I would like, however, to express the view that while it may be of advantage to Assistant Commissioners to gain some knowledge of Police work from the inside, get frequent changes of officers and the replacement of those who have gained a fair experience of departmental work by others having but a slight acquaintance with the tasks they will have to perform, cannot but have a disorganising effect on the department.

~~I have the honour to be,~~

CHIEF SECRETARY

To

N. Madhava Rao, Esq., B.A., B.L.,
Chief Secretary to the Government of Mysore,
Bangalore.

Sir,

In reply to your No.1578/C.B. dated 16th October 1930 in the matter of the transfer of Assistant Commissioners from and to the Accounts Department, I have the honor to state that as soon as Assistant Commissioners sent for training complete it, the number of Civil Service Officers in this Department will exceed the sanctioned scale and the persons in excess will have to revert to the general line.

2. The period of training of Assistant Commissioners was fixed at two years in Government Order No.Fl.4613-52/G.F.92-17-3 dated 26th February 1918 according to the recommendations of Mr. Datta. During this period the officers are required to pass two Departmental Examinations which are held once in six months in May and November. It would not be advisable to burden the officers with charges while they are studying for the examinations as the work will not permit them to devote adequate time and attention to study and practical training and further they will not be able to do justice to the official work until they get a certain amount of theoretical and practical knowledge of the work of this office. The Auditor-General has issued strict instructions in British India that officers under training should be left undisturbed to pursue their course of training and should not be posted to regular charges even for short periods or during casual leave of the regular officers. Assuming that an officer sits for the first examination which is held after he spends a minimum period of six months in this office, and he passes the Lower Examination at the first chance the time he will

take

take for the two examinations will range from 1 to 1½ years. Officers could, I think, be posted to regular charges as soon as they pass both the Departmental Examinations or have put in eighteen months training in this office and the present period of training of two years may, I think, be reduced to this extent.

3. Of the two Assistant Commissioners now under training in this office, Mr. Madhava Rao has passed the Lower Departmental Examination of the Government of India and is appearing for the Higher Examination and Mr. Guru Dutt is sitting for the Lower Examination this month. As soon as they complete their period of training they will release two of the Civilian Officers in this Department for being retransferred to the general line. To facilitate the retransfer of the three officers mentioned in your letter under reply, I request that another junior Assistant Commissioner may be sent for training in this office.

I have the honor to be,
Sir,
Your most obedient servant,

S. Chandra
Comptroller.

To the Inspector General of Police.

Sir,

With reference to correspondence ending with your letter No. C. 911 dated 5th November 1930 in the matter of withdrawal of certain Civil Service officers from the Police Dept., I am directed to state ~~that Government~~ agree that it is desirable to allow officers posted to the Police Department to continue there for a fairly long period, ~~Officers posted from the general line will therefore not be disturbed usually~~ for 4 or 5 years.

For the present, only Mr. S. Narayana Rao, who has been in the Dept. for over 4 years, will be withdrawn at an early opportunity, and the other officers will not be disturbed for some time to come.

~~Yours~~ I have etc.

~~Offg.~~ Chief Secy. to Govt.
